I _____, agree to respect the property and fellow campers of Full Throttle Campground and adhere to all health and safety, as well as social distancing guidelines as set out by the Ontario government. I will maintain my campsite, by cutting grass, keeping it tidy and clear of garbage. If maintenance is not up to par, the maintenance staff will tend to your campsite and there will be a fine for \$200.00. This will keep our campground looking beautiful for everyone. Have fun but be respectful of all other campers, and please respect the noise by-law of 11pm. (if you are not paying for winter storage, and you leave your trailer here, your trailer will be ceased by Full Throttle Speedway and the disposal fees will be billed to you)
