

Full Throttle Motor Speedway 2024 Enduro Series Rules

DISCLAIMER: The rules and/or regulations set forth herein are designed to provide for the orderly conduct of racing events and to establish minimum acceptable requirements for the orderly conduct of Enduro race at Full Throttle Motor Speedway. These rules shall govern the condition of all events, and by participating in these events, all participants are deemed to have complied with these rules. NO EXPRESSED OR IMPLIED WARRANTY OF SAFETY SHALL RESULT FROM PUBLICATION OF OR THE COMPLIANCE WITH THESE RULES AND/OR REGULATIONS. They are intended as a guide for the conduct of the sport and are in no way a guarantee against injury or death to a participant, spectator, or official. The Technical Inspector (s) or Director of Racing Operations shall be empowered to permit reasonable and appropriate deviation from any of these specifications herein or impose any further restrictions that in his / her opinion do not alter the minimum acceptable requirements. NO EXPRESSED OR IMPLIED WARRANTY OF SAFETY SHALL RESULT FROM SUCH ALTERATION OF SPECIFICATIONS. Any interpretation or deviation of these rules is left to the discretion of the Director of Racing Operations or his / her appointee. Their decision is final. It is the responsibility of each competitor to read, understand and comply with these rules as written. Full Throttle Motor Speedway officials are authorized to decide if an equipment change, or addition is an attempt to circumvent these rules or provide an unfair advantage. FTMS officials can and will disqualify any entry in violation of the spirit and intent of these rules. Decisions will be based on common sense, consistency, impartiality and fairness. If there is disagreement or dispute regarding the meaning, interpretation, or application of these rules, FTMS officials' decisions shall prevail. If these rules do not specifically say that you can add, change, or modify something, then you should consider that addition, change or modification illegal. Any questions about the legality of an addition or modification not covered by these rules must be answered by FTMS officials in writing, and their decision is final. Full Throttle Motor Speedway reserves the right to alter or amend these rules at any time in the interests of safety, cost control or fair competition. The safety of each race car and all equipment is the complete responsibility of the driver/owner, and the driver/owner acknowledges this responsibility by participating in any racing activity at Full Throttle Motor Speedway.

General Info:

- This racing is intended for people who don't want to spend a lot of time and money to go racing.
- Races will be run with no caution flags. Red flag only if an unsafe situation occurs. Any unsafe situations the race will be temporarily stopped with a red flag.
- Any driver that is considered to be driving in an unsafe manner, will be disqualified and not allowed to continue.
- **Rough driving, verbal abuse or inappropriate behaviour will not be tolerated.** No further warning will be given. If violated, the team may be disqualified.
- The safety of each car and all equipment is the complete responsibility of the driver/owner, and the driver/owner acknowledges this responsibility by participating in any activity at Full Throttle Motor Speedway.
- Car claim rule will be established if participants start to overspend for this class.
- All cars participating will be subject to technical inspection. - Any cars with illegal non-stock parts will be disqualified.

Full Throttle Motor Speedway 2024 Enduro Series Rules

- Drivers or their crews will not consume alcoholic beverages at any time prior to our during an event. Use, sale, or distribution of ANY drugs at any time shall be cause for immediate and indefinite suspension. Participation by a team member in either activity will result in disqualification with loss of earnings for that event.
- If you are not sure of anything on your car, check with an official before the race.
- Any car that is excessively rusted or battered, that is unsafe will not be allowed to compete.
- Red flag: All cars must stop in a safe manner.
- Black flag: If the Black Flag is waved for you, it means you are in need of a repair such as a flat tire or parts dragging or rough driving and must return to the pit immediately (or infield clear of the racing surface). Scoring will stop for you. Failure to leave the track will result in disqualification from the remainder of the race. Transponders will be used and must be working properly in order to be scored.

Technical Inspection:

- **Cars will be lined up as they pass tech. This will be your starting position. You will be allowed to tie down your hood in an area just outside of tech. No going back to pit, must go to staging area after tech.**
- **All cars must be presented to technical inspection or waiting in the inspection line, no later than 45 minutes before the green flag. No refund if you cannot make your car pass pre-tech. Come to tech with a car built to the rules.**
- Full Throttle Motor Speedway reserves the right to perform technical inspection on any car at any time.
- Cars to be inspected post race MUST proceed immediately to the Tech Inspection Area after exiting the race track. No team members are allowed to touch or remove any part of the race car without receiving prior approval of the Head Tech official.
- Cars (with Driver) must enter the tech area as instructed by inspectors. The team is responsible for preparing only the areas of the race car for inspection as requested by the HEAD TECH OFFICIAL in a timely manner; Any participant (team) who refuses to allow tech officials to inspect their car at any time or follow inspection directions and procedures will be subject to the following: immediate disqualification from the event. Loss of prize money for that event.
